Land Ho! is a group exhibition that celebrates the timeless lure of the landscape in art and features landscape paintings from FAM's permanent collection in conversation with works by eight New England contemporary artists: CARRIE CRANE, SALLY CURCIO, LEILA DAW, WARNER FRIEDMAN, MICHELE LAURIAT, SANDY LITCHFIELD, SHONA MACDONALD, and SUE MCNALLY. These contemporary spins on the landscape tradition will hang in juxtaposition with paintings by Rockwell Kent, Edward Hopper, John Twachtman, Charles Burchfield, and Arthur Goodwin, as well as over thirty additional permanent collection works!
