The Regional Exhibition of Art & Craft is one of the oldest juried exhibitions in New England. This annual summer tradition at the Fitchburg Art Museum strives to discover, encourage, and celebrate the artists and crafters of our region. The Regional Exhibition provides artists in our community with a museum environment to exhibit their artwork and opportunities to connect with fellow artists, patrons, and enthusiasts.

The **84th Regional Exhibition of Art & Craft** is sponsored in part by generous contributions from Workers Credit Union, the Massachusetts Cultural Council, the Fitchburg Cultural Council and the Cultural Councils of the following towns: Acton-Boxborough, Ashburnham, Ayer, Bolton, Chelmsford, Gardner, Groton, Lancaster, Leominster, Lexington, and Lunenburg.

FAM is thrilled to announce that this year's juror is Aynel David Guerra, the Director and Founder of A R E A, a multi-format and interdisciplinary gallery in SoWa, South End that organizes exhibitions and experiences. His gallery welcomes creatives of diverse social and cultural backgrounds. David's passion for innovation in the arts has led him to collaborate on a variety of projects and exhibitions as a curator in Boston. Guerra has organized exhibitions at Abigail Ogilvy Gallery, the Boston Center for the Arts, Villa Victoria Center for the Arts (VVCA), MIT Hacking Arts, and The Yard, and he has juried several exhibitions in and around Boston.

Check out FAM's website for Aynel David Guerra's full bio.
